

# 2023 GLOBAL MBA RANKINGS

he benefits attached to an MBA are well documented: career progression, networking opportunities, personal development, salary... and the list goes on. However, in an increasingly congested market, selecting the right business school can be difficult, which is far from ideal given the time and investment involved.

Using a ranking system entirely geared and weighted to fact-based criteria, CEO Magazine aims to cut through the noise and provide potential students with a performance benchmark for those schools under review.

\*EMBA Weighting: Work experience and international diversity are adjusted accordingly.
